

PROCEDURES IN CASE OF SERVICE OF A SEARCH WARRANT

The following procedures apply if law enforcement officials serve a search warrant at a Red Hat facility.

A. THINGS TO DO

1. Ask the agents to identify themselves and sign in like any other visitor
2. Ask the agents to wait until you can get someone to assist them
3. Call a Red Hat attorney from the Assigned Attorney List (see below) and inform the attorney that a request for a search has been received
4. Wait for directions from the Assigned Attorney

B. THINGS NOT TO DO

1. Do not sign a warrant or similar document
2. Do not say that we consent to the search
3. Do not give permission for a search
4. Do not try to physically prevent the agents from entering
5. Avoid discussion and avoid disclosing information
